To whom it may concern

It is our intention to recommend Angelo Piccoli who worked by Gloden Hill s.r.l. from the 1st November 2015 to the 28th February 2016.

Our company, based in Martina Franca, was founded in 2003 as an import and distribution company specialized in the sector of beach and sea articles. Next to a very large sample that concerns the world in the open air, We offer complete collections of school, footwear, household items, Christmas, gifts, articles for carnival and halloween, Easter decorations, party items, inflatables for the sea and the garden, toys for the sea, cuddly toys and gadgets for Valentine's Day, customizing the packaging and ensuring high standards of quality and safety.

We operate in Italy and abroad, making use of the collaboration of an efficient sales network and participating in the most important trade fair events in the sector.

Angelo has always been a punctual person, both for the start of the working day and for deliveries of the tasks assigned. He works very well also under stress, like the Christmas period (where we have the greatest amount of work), when all the articles for the catalogs need to be ready in a very short time. He's also very determined, knowing him I saw that he absolutely wants to achieve his goals.

I can guarantee his correctness towards his colleagues. He is a cheerful, gentle and fairly reserved person.

We were particularly impressed by his ability in artistic drawing (thanks to that he created the graphics of a new line of some of our products) and in the use of Photoshop and Illustrator programs.

Should you need any further information, please do not hesitate to contact us.

Yours faithfully,

Daniela Cassano
